

FACILITATING ENVIRONMENTALLY FRIENDLY BEHAVIOUR

Presented by **Annette
Elisabeth Töller**
from the **German Advisory
Council on the Environment
(SRU)**

14:00–15:30 CEST
11 NOVEMBER 2024

SIGN UP

Join us for an online session hosted by EEAC's Working Group on Sustainable Development, where we will discuss the key findings and recommendations from the SRU report **"A Political Responsibility: Facilitating Environmentally Friendly Behaviour."**

The report explores critical questions on when and how environmentally relevant behavior should be politically addressed, suitable measures, and how they can be effectively implemented.

Agenda

14h00 – 14h20

Presentation of key analyses and political recommendations from the report

14h20 – 15h30

Open discussion with participants

SRU German Advisory Council
on the Environment

**A Political Responsibility:
Facilitating Environmentally
Friendly Behaviour**

SUMMARY | May 2023
